MI

E REV. SIGNORI.

Entre io co'l dedicare alle VV. SS. Reuerendissime l'Opera presente, essercito la mia naturalezza, che mi fa per istinto offerire il frutto, à chi già ho consecrata la pianta, debbo sperare, che siano esse per essercitare la loro innata amorevolezza in gradire questo stesso debolissimo tributo della mia somma offeruanza. Anzi essercito la mia gratitudine, non solo verso le VV. SS. Reuerendissime in professare la mia immensa obligatione; ma anche verso di questo tale quale mio talento nella musica; perche, essendomi stato strumento ad ottenere dalla gratia loro così degno luogo fra suoi seruidori, io mi conosco obligato di honorarlo con procurargli con la presente dedicatoria, la dipendenza dalla loro protezione. Si compiacciano di considerare nel picciolissimo parto del pouero mio ingegno, il grandissimo affetto della mia riuerente diuotione, e di prometterli dalla mia perpetua prontezza l'humili ossequi della mia affettuosa seruitù. E intanto alle VV. SS. Reuerendissime faccio profondissima rinuenza, & auguro da Dio Nostro Signore il colmo di tutte le grazie.

Delle Signorie Vostre M. Illustri e Reuer.
